e. All three of the remaining NIOs will probably be chosen from outside the Agency.

f. As for the Assistants, five have been chosen. Two come from CIA, three from the military services:

(1) Of the two from CIA, one is from OER and one from the former ONE Staff

(2) Of the three military officers, the Strategic Programs Assistant is an active duty Air Force officer. The Middle East and Latin America Assistants are both active duty Army officers.

g. If we have any recruiting luck in the Foreign Service, at least one of the six Assistants yet to be chosen will come from the Foreign Service. Two (Conventional Forces and Economic Affairs) will be Agency officers serving non-Agency NIOs. The remaining three will be the best people we can find from throughout the community.

h. Note that as of this writing, only two Agency NIOs [redacted] and Critchfield) have Agency Assistants.
